

IN THE DRAWINGS

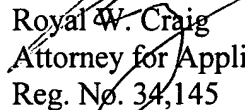

Please cancel FIG. 5, second occurrence, as appearing on page 18 of the specification. A redlined copy of FIG. 5 is submitted herewith to show the canceled FIG.

REMARKS

The Examiner objected to the drawings because as filed there were two figures labeled FIG. 5. The second FIG. 5 appearing on page 18 of the specification was an inadvertent inclusion, and a substantial duplicate of existing FIG. 3. Consequently, the second FIG. 5 appearing on page 18 of the specification is herein deleted

In view of the above, the pending claims are believed to be patentable and the case is in condition for allowance. A Notice to this effect is respectfully requested.

Respectfully submitted,
